Why to study in Bulgaria?

Bulgarian higher education has a long academic tradition. The education is regulated by the state, and all public institutions are subject to continuous approval and evaluation processes. This system ensure that all students obtain an education of the highest quality.

Besides the quality of education, a recent survey on international students in Bulgaria showed that the students enjoy their stay in Bulgaria, not least because they feel it is a safe place to study.

Bulgaria – The first country in Europe, recognized in 681

A picturesque small country called Bulgaria has existed for more than 13 centuries in Europe, linking East and West. Bulgaria remembers ancient civilizations and great people that wrote its turbulent history. Situated in Southeastern Europe, Bulgaria occupies the northeastern part of the Balkan Peninsula. Since 2007 is a full member of European Union.

Unique country with all kinds of tourism in Europe

Bulgaria is a country of 110,993 sq. km, but has all kinds of tourism: sea coast, mountain, spa and wellness, culture, rural and eco, congress and festival, wine and cuisine, winter and summer.
